**ENERGY ASSISTANCE BEGINS NOVEMBER 6
PROGRAM HELPS MANAGE ENERGY COSTS**

RICHMOND, KY - Kentucky River Foothills will begin the Subsidy portion of the Low-Income Home Energy Assistance Program (LIHEAP) on Monday, November 6. LIHEAP provides financial assistance to income-eligible households with home heating costs through two programs: LIHEAP Subsidy (typically in November and December) and LIHEAP Crisis (typically January through March 31 or until all funds are expended).

Both homeowners and renters who are responsible for their heating bills and have low or fixed incomes are eligible.

Qualifying participants will receive an energy assistance benefit. Energy services include electric, gas, kerosene, propane, coal or wood. Eligible participants do not need to have an unpaid energy bill or be out of fuel to receive energy assistance in the subsidy portion of this program. The benefit amount that each household receives will be based on its level of poverty, living in subsidized or unsubsidized housing and the type of fuel used for heating. All eligible households will receive a benefit until LIHEAP funds are fully depleted. Benefits will be made payable to the household's primary or secondary heating fuel vendor.

A household is considered to be eligible for energy assistance when the household meets the basic eligibility criteria. This criteria includes:

1. completion of an application;
2. is responsible for home energy costs, directly or as an undesignated portion of their rent;
3. have a combined household income, for the calendar month prior to the month of application, not in excess of 130% of the federal poverty level as listed in the Income Eligibility Guidelines;
4. live in Kentucky when the application is made and apply in the county of residence; and
5. not have liquid resources in excess of \$2,000, or \$3,000 if at least one person in the household is 60 or older: and/or disabled except for households where a member has a catastrophic illness. The amount may be \$4,000 when the resources are being accessed for medical and living expenses.

APPLICANTS MUST BRING THE FOLLOWING INFORMATION:

1. Proof of Social Security Number or Permanent Residence card (Green Card) for each member of household.
2. Proof of all household's (all members) income from preceding month.
3. Most recent heating bill, verification from landlord that heating expenses are included in rent, or statement from utility company verifying participation in Pre-Pay Electric Program.
4. Vendor information (including account number and name on account) for your main heating fuel as well as electric.
