Foothills Express No Show and Late Cancellation Policy

Foothills Express requires a 48-hour (two business days) notice to schedule a ride with Express service and a 72-hour (three business days) notice to schedule appointments for HSTD Transportation through FTSB at (888)-848-0989. Transportation services will be offered between 8:00 AM to 5:00 PM Monday through Friday, except for Urgent requests.

Since trips are to be scheduled in advance, Foothills Express understands that riders may sometimes miss scheduled rides or forget to cancel rides they no longer need. However, repeatedly missing scheduled trips or failing to cancel trips in a timely manner can lead to suspension of services.

No-Shows

A no-show occurs when a rider fails to appear at the designated pickup location or does not board the vehicle for a scheduled trip. This presumes the vehicle arrives at the scheduled pickup location within the pickup window and the driver waits at least 5 minutes and the client does not show or does not board the vehicle.

Pickup Time

Although a driver may arrive up to 15 minutes before the scheduled pickup time, riders are not required to board the vehicle before their scheduled pickup time. The driver is only required to wait for a maximum of 15 minutes after the scheduled pickup time for the rider to appear and board the vehicle.

Cancellation/Late Cancellation

Cancellations should be made 24-hours in advance during regular business hours, but will be accepted up to 2-hours before pick-up time. If you know that you will not need a scheduled trip, please cancel as early as possible to make sure scheduling is available for other passengers.

A late cancellation is defined as either a cancellation made less than 2 hours before the scheduled pickup time, a cancellation made at the door, or refusal to board a vehicle that has arrived within the pickup window. A late cancellation will be considered a no-show.

Suspension Policy of No-Shows or Late Cancellations

Initially, after three no-shows and/or late cancellations, Foothills management will notify the rider of the no-show and ask for cooperation in scheduling the paratransit trip. If the problem continues, a progressive suspension length will be as follows:

- First Suspension will be for 5 days;
- Second Suspension will be for 10 days;
- Third Suspension will be for 15 days; and
- Any subsequent Suspensions will be for 30 days.
